Health Program 5 (September or October)	Potomac Horse Fever (PHF)	Anthelcide EQ		
Health Program 6 (November or December)	Rabies	Strongid		

### Benefits

- **Less stress for you and your horse.**
- 6 visits per year | Our office will call and schedule these every 2 months.
- We will maintain records of vaccinations and schedule specific vaccines at optimal times of year.
- A convenient way to **spread out vaccines to improve immune response and reduce stress!**
- **No call fee** for Health Program appointments and an annual Coggins Test.
- Health Program participants receive a **25% discount** on additional services once a year:

Health Profile bloodwork • Physical examination • Fecal examination
